Submit your abstract online at www.somos.org between May 1 and September 1, 2009

Call for Abstracts

Submissions accepted May 1, 2009 - September 1, 2009 at www.somos.org

Dear Colleague:

You are invited to submit an abstract/paper to one of the best orthopaedic meetings in the country! Over 300 of the leading authorities in orthopaedic surgery will attend the SOMOS 51st Annual Meeting, December 14-19, 2009, at the Hilton Hawaiian Village in Honolulu, Hawaii. This is your chance to present your research to your peers.

The SOMOS Annual Meeting is ideal for military orthopaedists. The exchange of scientific information that takes place at the Annual Meeting is vital to your continued professional development. The Program Committee is developing an extensive Scientific Program that will present timely reviews of practice-related techniques and clinical research findings in orthopaedic surgery through invited guest lectures, ICL symposia, and key papers that are accepted. We strongly encourage you to submit an abstract and contribute to the content of this meeting. SOMOS recognizes outstanding papers and posters with the Founders Award, Norman T. Kirk Award, and the Louise House Award.

The SOMOS Board of Directors would also encourage you to submit a nomination for the COL Brian Allgood Military Leadership Award. For further nomination information, please see the SOMOS website. This prestigious military leadership award will be awarded at the opening ceremonies and will be a highlight of the meeting.

In addition, the Combat Extremity Surgery Course and pre-deployment training, the updates by the Army, Navy, and Air Force Consultant to the Surgeon General, and the first ever COL Brian Allgood Military Leadership Symposium are going to make this meeting one not to miss. Simply stated, this is the best orthopaedic meeting for military orthopaedic surgeons.

On behalf of the Program Committee and SOMOS Board, I would like to strongly encourage you to submit an abstract for the meeting. We look forward to receiving your abstract(s) and seeing you in Hawaii.

Sincerely,

2009 Program Committee

Online Abstract Submission

Abstract applications can be submitted online through the SOMOS web site beginning May 1, 2009. Visit us at www.somos.org and click on the "Call for Abstracts" link.

Abstract submission deadline: September 1, 2009
