Vail Marriott Mountain Resort  
Vail, Colorado

Submit your abstract online at [www.somos.org](http://www.somos.org)  
between May 1 and August 1, 2010

# Call for Abstracts

Submissions accepted May 1, 2010 - August 1, 2010 at [www.somos.org](http://www.somos.org)

Dear Colleague:

You are invited to submit an abstract/paper to one of the best and most unique orthopaedic meetings in the country! Over 300 leading authorities in orthopaedic surgery will attend the SOMOS 52nd Annual Meeting, December 13-17, 2010, at the Vail Marriott Mountain Resort. This is your opportunity to present your research to your peers.

SOMOS is the premier meeting for orthopaedic care in the austere environment, from war injury to civilian mass casualty. The exchange of scientific information that takes place at the Annual Meeting is vital to your continued professional development. The Program Committee is developing an extensive Scientific Program that will present timely reviews of practice-related techniques and clinical research findings in orthopaedic surgery through invited guest lectures, symposia, and accepted key papers. We hope that you will submit an abstract and contribute to the content of this meeting. SOMOS recognizes outstanding papers and posters with the Founders Award, Norman T. Kirk Award, and the Louise House Award.

The SOMOS Board of Directors also encourages you to submit a nomination for the COL Brian Allgood Military Leadership Award. For further nomination information, please visit the SOMOS website, [www.somos.org](http://www.somos.org). This prestigious military leadership award will be presented at the opening ceremonies and will be a meeting highlight.

In addition, the Combat Extremity Surgery Course and pre-deployment training, the updates by the Army, Navy, and Air Force Consultants to the Surgeon General, and the COL Brian Allgood Military Leadership Symposium are going to make this a not-to-miss meeting. Simply stated, this is the best orthopaedic meeting for military orthopaedic surgeons.

On behalf of the Program Committee and SOMOS Board, I would like to strongly encourage you to submit an abstract for the meeting. We look forward to receiving your abstract(s) and to seeing you in Vail.

Sincerely,  
2010 Program Committee

## Online Abstract Submission

Abstract applications can be submitted online through the SOMOS web site beginning May 1, 2010. Visit us at [www.somos.org](http://www.somos.org) and click on the "Call for Abstracts" link.

**Abstract submission deadline: August 1, 2010**
