

EXHIBITOR PROSPECTUS 2026

68th Annual Meeting
December 7-9, 2026
Vail, CO

BENEFITS OF EXHIBITING

Who Attends the SOMOS Annual Meeting?

The Society of Military Orthopaedic Surgeon's Annual Meeting is the meeting of choice for military and orthopaedic trauma surgeons. DOs and Allied Health Professionals also attend the meeting to stay ahead of the curve in the field of orthopaedics. SOMOS provides continuing medical education to those individuals who are on the forefront of both scientific and socioeconomic orthopaedic causes.

Why Choose SOMOS To Exhibit?

Understanding the importance of our exhibit partners, SOMOS strives to make sure your exhibiting funds afford you plenty of face-time with our attendees. We believe these connections are as valuable to our attendees as they are to you. Exhibiting with SOMOS provides you the benefit of the following:

Personalized Onsite Assistance

SOMOS strives to make your exhibiting experience the best business investment possible. We appreciate your involvement and look forward to partnering with you for many years to come. To ensure a positive experience and productive meeting, we have a dedicated SOMOS Onsite Coordinator available to assist you with locating doctors and making exhibit arrangements.

Dedicated Time With The Attendees

Continental breakfasts are served in the exhibit hall daily. We arrange the exhibit hall so that food and beverages are strategically placed to maximize traffic for everyone. Additionally, we have an Exhibitor Reception, a two-hour social event with drinks and heavy hors d'oeuvres in the exhibit hall. This event is well attended and usually exceeds the time scheduled because of the positive experience. It's a great setting to develop relationships with the doctors. We have several breaks each day and give out prizes valued at approximately \$250 or more per day in the exhibit hall. Doctors are required to have a card stamped by numerous exhibitors in order to be eligible for the prize. We find that in addition to the general interest in your products and services, the prize is a great incentive to drive traffic to you.

FREE Pre-Meeting Attendee Mailing List

Exhibitors will receive a complimentary pre-registered attendee mailing list when it becomes available before the meeting. You can use the list to promote your products/services in advance and potentially boost traffic at your booth.

FREE Post-Meeting Attendee Mailing List

To assist you in your post-meeting marketing efforts, SOMOS will supply, upon request, a FINAL list of registrants which will allow you to conduct follow-up correspondence with registrants via mail.

Attendance at the Scientific Portion of the Meeting

To better prepare and equip your sales force, SOMOS welcomes and encourages your registered representatives to attend the scientific program portion of the meeting. This will enable your company to gather the most current and relevant information in the orthopaedic field, further build rapport with the attendees, and gain a competitive advantage in the industry.

Acknowledgement in the Mobile Meeting App

Your company will be listed in the Mobile Meeting App along with contact information, website address, and a brief company description.

Each level either includes, or provides a discount on the additional opportunities below. Please see page 4 for a list of all sponsorship levels and the benefits included or the discount available to purchase additional opportunities.

Pre-Meeting Advertising

Specific sponsor levels will also have the ability to run a banner ad on the SOMOS website, which receives additional traffic as our registrants sign up for the meeting.

Full-page color advertising in the *Journal of Surgical Orthopaedic Advances*

The Journal of Surgical Orthopaedic Advances is the official journal of the Society of Military Orthopaedic Surgeons, as well as the Eastern, Southern, and Western Orthopaedic Associations. With a distribution to over 4,000 orthopaedic surgeons nationwide, this opportunity provides the ability to reach a wide audience.
